TRANSMITTAL OF DEFICIENCY PAYMENT AND
REQUEST FOR CORRECTION OF STATUS

Commissioner for Patents
Washington, DC 20231

Dear Sir:

At the time of filing of the subject patent application, small entity status was established in good faith by payment of small entity basic filing fee. It was subsequently discovered that status as small entity was established in error.

As required by 37 CFR 1.28(c)(1) and (2), authorization to charge Deposit Account No. 06-0130 in the amount of \$517.00 to cover the cost of the deficiency payment is given. Applicant

requests that the Patent Office update records to reflect the fact that small entity status does not apply to the subject patent application.

REMARKS

In light of the above amendment, consideration of the subject patent application is respectfully requested. Any deficiency or overpayment should be charged or credited to Deposit Account No. 06-0130.

Respectfully submitted,

Kevin M. Farrell
